Container Design Service

CRITERIA FOR A HIGH-QUALITY DRY CONTAINER

1. WWST (wind, water, sunlight tight): waterproof, wind-proof, light-proof.
2. The structure achieves IICL5 standard and doesn't distort much due to the strong impact; the door can close/open easily; floor, roof, wall, and girder are secured.
3. Has a valid CSC plate or is eligible to extend/qualify for CW (Cargo Worthy) shipping.
4. Refrigeration systems have full components and run stably at -180 degrees Celsius without any leak, stagnant water, and pass the PTI (pre-trip-inspection) examination.

MODIFIED CONTAINER

In Vietnam, many agents supply the service to design, construct, renovate, and upgrade used containers. Choosing a prestigious agent with high quality and great after-sales services is save-costing a lot.

Being a prestigious business enterprise in both Vietnam and the International market, Tan Thanh Container always pioneers in the quality of design, manufacture, container supplication and rentals service. Tan Thanh Container guarantees the quality of all rental products to satisfy all quality criteria above in WWST, IICL 5, and CW when we transfer them to customers. With a stable, legal, and abundant source of the containers. Tan Thanh Container can satisfy any demands in small/large container rental in long or short terms of customers at a competitive price.

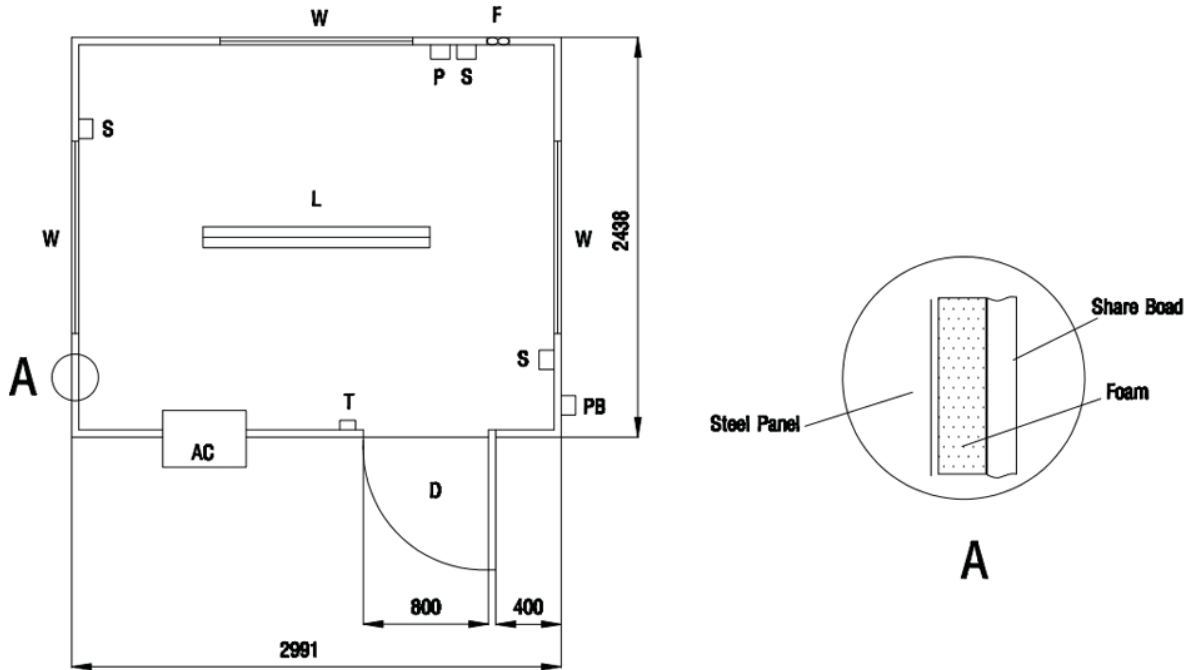

You will be satisfied with the products' quality and after-sales services of Tan Thanh Container. Contact now to receive free consultations.

- With 25 years of experience in the industry, Tan Thanh is the leading supplier and providing container for rent in Vietnam with the following advantages.

Tan Thanh's dry containers and office containers have been qualified and confirmed in the market for many years, are manufactured by advanced technology lines according to international standards and undergo rigorous testing before shipping.

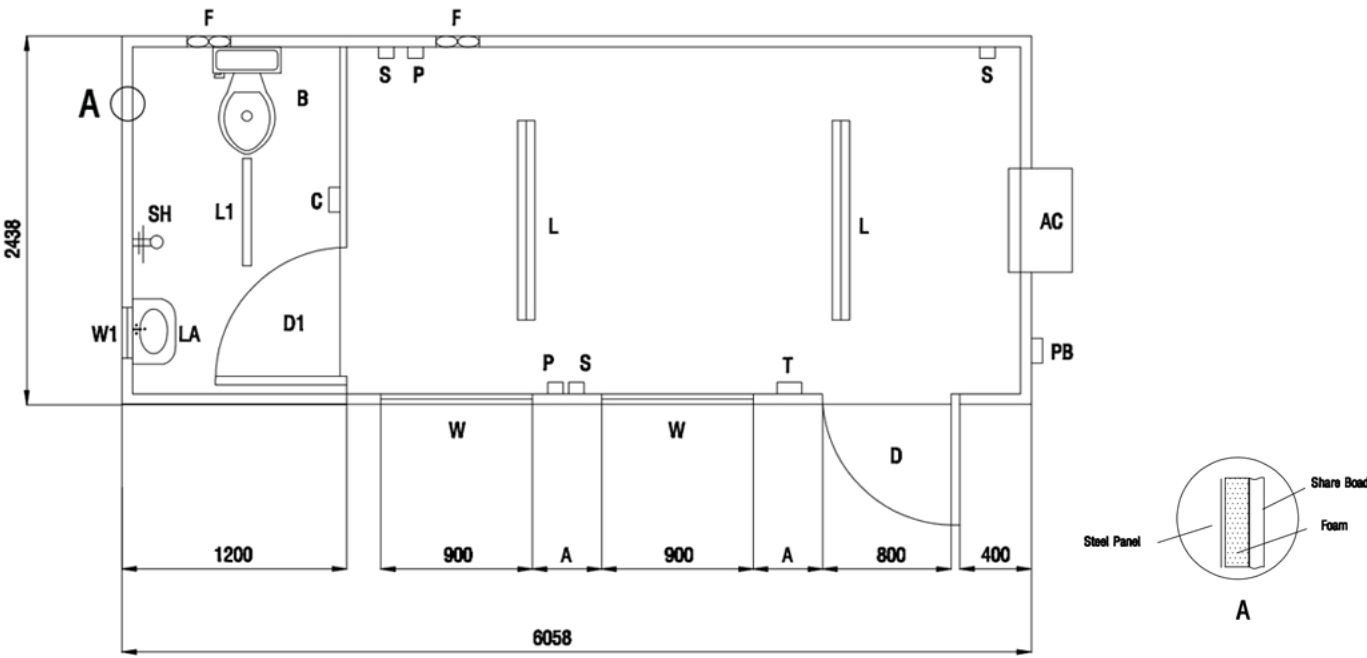

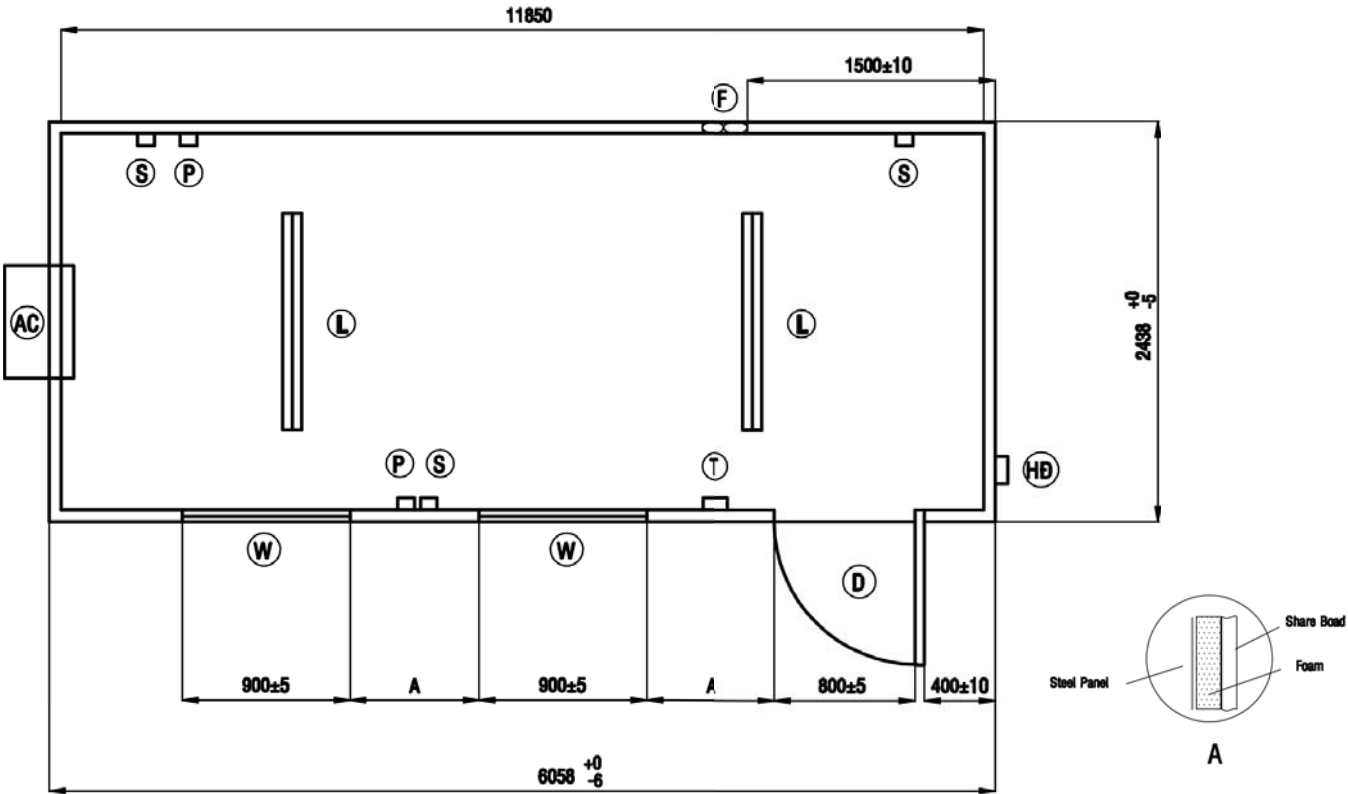

With a diverse source of containers, Tan Thanh provides most of the different types of containers for rent or for purchase depending on the specific requirements of customers, flexible rental periods (long or short). We also lease container by voyage at competi-
